Component Intent & Language - FY01 Operating Budget

Agency: Department of Education and Early Development

Comp: **Child Care Assistance & Licensing**

BRU: Early Development

Intent

House

- It is the intent of the legislature that an additional \$700,000 in general funds is added to Child Care Assistance & Licensing in the Division of Early Development to provide resources for after school child care. Currently, approximately 1,150 or 34% of children in subsidized child care per month are of school age, between the ages of 5 and 12. Care for children between the time the school day ends and the work day ends provides additional opportunity for learning, a healthy, safe environment for play, and prevents children of working low income families from being alone and unsupervised. These funds would be targeted to serve approximately 500 additional eligible children between the ages of 5 and 12.

Senate

- It is the intent of the legislature that the Department of Education and Early Development, Division of Early Development, be the lead agency to license child care facilities and that the department collaborate with the Department of Health and Social Services, Division of Family and Youth Services, to obtain maximum efficiency. It is also the intent of the Legislature that, whenever feasible and cost-effective, the Division of Family and Youth Services assist in the child care licensing process along with the division's other licensing responsibilities.
